	Subtotal	
	<i>MD Residents add 6% tax</i>	
	Total	

¹ Serial number required for upgrades and renewals

² Includes licenses for QDS-Web™, Design Studio, Warehouse Manager

³ Includes QDS-Web™ license only (assumes existing licenses for Design Studio v3.0 and Warehouse Manager v3.0)

⁴ Hosting fee (monthly or annual) fee required for all purchases and renewals.

⁵ Server configuration fee required for new purchases only. The configuration fee covers customization of your survey (e.g., custom graphics and colors).

The QDS-Web™ license fee includes support for up to 5 survey instruments per year. Additional surveys may be added for a cost of \$100/instrument. Additional information, including terms of use, available at <https://www.qdsweb.com>.

Email us at QDSWebSales@novaresearch.com to discuss using QDS-Web™ to support your web-based data collection needs.
